

# **ARGENTINA**

**NOMINATED ARTIST FOR THE LATIN GRAMMY AWARDS 2013**

**NATIONAL AWARD BY THE FLAMENCO CRITICS IN SPAIN BEST ALBUM OF "CANTE" 2012**

Since the summer of 2006, when this young "cantaora" born in 1984 in Huelva (Andalucia- Spain), saw her dream coming true: her first album published with the title of "Argentina" -, the artistic life of Argentina Maria Lopez Tristancho, aka ARGENTINA, overturned completely. Just a few debuts in the flamenco music have ever had such a big impact, and this is because the talent and good luck have a hold of Argentina.

**CRITIC AWARD FOR THE BEST ALBUM OF BRAND NEW SINGING IN 2006**

**VIII NATIONAL AWARD "ACTIVE FLAMENCO, CITY OF UBEDA" IN 2009**

**AWARD BY THE FLAMENCO AUDIENCE 2010 FOR HER CAREER AND CONSOLIDATION AT SUCH AN EARLY AGE**

In such a short time, ARGENTINA has already recorded three albums: "Argentina" (2006), "Las Minas de Egipto" (2009) and "Un Viaje por el Cante" (2012). Her career is climbing higher and higher, and her audiences are also giving her a great flattery.

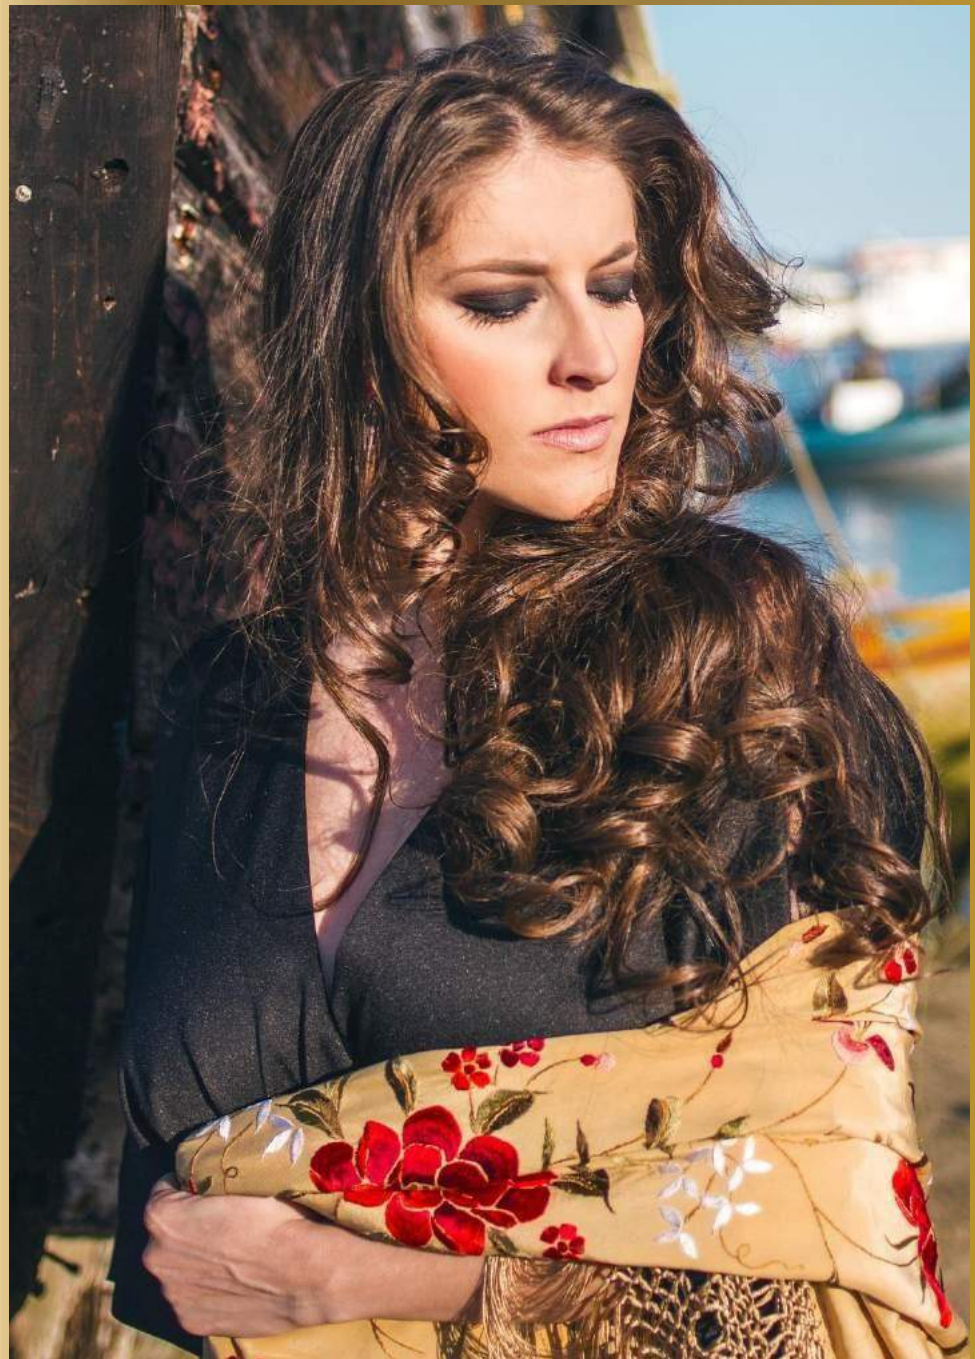

It was her last album, "Un Viaje por el Cante", which gave a turning point to ARGENTINA's career. Coming after the big success of the show titled homonymously, ARGENTINA is right now in the front line of the flamenco music.

In 2013 her career exceeded the Spanish territory, bringing her show to the Oslo World Music Festival and also to Argentina (South America). In 2014 she also gave a wondrous performance in Nimes (France).

Most recently ARGENTINA took Madrid on a tremendous night, bringing to a close the Fiestas of San Isidro in Plaza Mayor. She also had a big time in Barcelona during the Fiestas of la Merce last September 2014.

At the present, ARGENTINA is working on her forth album, with the title of "Sinergia", a live album recorded at the Theatre Lope de Vega in Sevilla and the Theatre Isabel la Catolica in Granada.
